Question re: \$3 clubhouse donations. I am running into a problem at multiple events where people would like to donate but do not have change and there is not enough change to make change. Is there a key to the donation box at the clubhouse? Should we consider raising the fee to an even \$5? Might be easier donation/change wise? Any thoughts? Thanks!

Future Goal: Events tab on the HTMC website

Working with Nate Luzod to add a page to the HTMC website to help promote events with detailed information about upcoming presentations, potlucks, the clubhouse, FAQ and a place for future speakers to sign up and fill out a form and request a future presentation date. This system will help with marketing and reduce the amount of correspondence needed between entertainment committee and presenters. Calendar is great but limited.
